No-Limit Texas Hold ‘Em Tournament

July 30, 2010

Guaranteed 1st prize: minimum of \$1,000.00

We ran our first Hold Em fundraiser to raise money for the Junior League World Series in February of 2007. We guaranteed a good time to everyone, especially those that were nervous about coming to a “new” event. The free food and free drinks were a big hit, as was the fact that the first place finisher received \$1,000 for winning our inaugural tournament. 10% of the field cashed!

We had our second tournament in May of 2008, and then a third event in September of 2008. We want our ongoing events to gain a reputation for providing a quality tournament atmosphere at an affordable price, and we think free food, free drinks, and a healthy prize list is the way to earn such a reputation. Word about the success of our tournaments spread. At both of our 2008 tournaments, we were able to surpass our \$1,000 first place guarantee and award the winner \$1,100 and \$1,300, and we continued to pay 10% of the field.

We ran our fourth event in March of 2009. Free food and free drinks were again provided, as were the guarantees that first place would pay a minimum of \$1,000 and that 10% of the field would cash. The winner received a whopping \$1,500. Our fifth tournament was held at the Taylor Summer Festival in July of 2009. A good time was again had by all and our winner walked out with a cool \$1,000. We crowned our sixth champion on January 29, 2010 where the winner walked away with a \$1,400 first place prize. As with all of our tournament winners, in addition to the cash payout, our January 2010 champion also received a trophy and he has his name engraved on the Junior League World Series Hold Em Hall of Fame Trophy. Will you be the next player inducted into the JLWS Poker Hall of Fame?

We would love nothing more than to see a great turnout on July 30th so that we can again surpass the \$1,000 guarantee. Will first place pay \$1,500, or \$1,750? Dare we say \$2,000? Join us and find out!

It’s a good time, for a great cause. Please call Jeff Pizzo at 313-914-5037 or Dan Bzura at 313-292-9901 to reserve your spot in this seventh installment of our ongoing No Limit Texas Hold Em fundraisers.
